SERIOUSLY INJURED.

Dr. Laura Dunlap Thrown From Hack on Road to Inez.

Dr. Laura Dunlap, one of the physicians of the State Hospital, Lexington, is at the home of Mr. John Pinson, on Rockcastle creek, in a very serious condition as the result of an accident which occurred on Tuesday last. Dr. Dunlap and Dr. James Goodman, another hospital physician, were returning in a hack from Inez, where they had been summoned as witnesses on the prosecution of Jim Branham and Jim Thomleson, charged with causing the death of a girl Rachael Pick, by administering drugs. The girl had been sent to the hospital, where she shortly afterwards died. When the hack containing the doctors reached the foot of the hill between Rockcastle and Nat's creek Dr. Goodman got out of the vehicle and went on ahead. When the hack had nearly reached the top of the hill it approached too close to the edge of the road, as called, and upset, falling 20 feet or more to the bottom, carrying Dr. Dunlap with it. When aid reached her it was found that she was badly injured. She was carried to the Pinson home, nearby, where she received the necessary aid. The hospital at Lexington was notified by wire and a trained nurse was immediately sent to her assistance. The case against Branham and Thomleson was dismissed, as it was shown that the Pick girl died of epilepsy. She was from Johnson-co.

NEW POOL ROOM.

The pool room on Main-st., next below Wilson's meat market has been rented by D. J. Burchett and Charles McDonald, and will be managed by the latter. This is a guaranty that the room will be conducted in an orderly way, and he entirely divested of all the features which have sometimes rendered such places objectionable. Bowling may also be indulged in.

HAS ENTERED COLLEGE.

On Monday last Mr. W. N. Sullivan and son, Chris, left for Bowling Green, Ky., where Chris became a scholar in a well known business college. The young man has shown considerable aptitude for this line of endeavor, which a training of the proper sort will do much to develop. The term will last about five months.

DR. BERRY ILL.

We regret to learn that Dr. W. A. Berry is seriously ill with typhoid fever at his home on East Winchester. Dr. Berry has not been well for some time and Saturday he went to bed and Dr. A. H. Moore was summoned and he pronounced his trouble typhoid.—Ashland Independent.

WELL KNOWN CITIZEN DIES.

Mr. Dolph Cole, a well known resident of Garner, died at his home Tuesday, July 15, after a protracted illness due to the infirmity of age. He was buried on Thursday. His age was 79 years. Mr. Cole's son, William, is a son-in-law of Mr. F. R. Moore, who attended the funeral.

A REUNION.

On Thursday of last week Mrs. Margaret Moore was happy in the presence of all her children. Mrs. Charles Newman, of Atlanta, Mrs. Hannah Lackey, Miss Kate Moore and Fred Moore, of Cincinnati, and John Moore, of Lockwood, being present. Mrs. Moore continues seriously ill.

Gives Them Fair Warning.

William H. May, Commonwealth's Attorney in the Thirty-first judicial district, has put himself on record with regard to bribery in elections in a way that should contribute much toward a free ballot and fair count in that section of Kentucky in the course of a lengthy article in the Princeton Monitor.

A SURPRISE WEDDING.

The news that she is no longer Miss Ida Branham Smith but has become Mrs. L. L. Kinser, of Knoxville, Tenn., will come as a surprise to most of her Louisa friends. The change was effected on Sat. July 5th. The scene of the transformation was the residence of Mr. George Atkinson, this city. The magician who turned Miss to Mrs. was the Rev. C. M. Summers, of the Christian church. It had been the intention of Mr. and Mrs. Kinser to keep the news a secret until Aug. 1, when she would sever her connection with the telephone exchange, where she has for some time been chief operator, but this paper was given permission to publish the fact to-day.

ANOTHER BIG SALE.

J. Isralsky, our enterprising merchant, is putting on another big sale. Jake knows where and how to buy goods under the market prices and takes pleasure in passing the bargains along to his customers. His two-page advertisement in this issue tells part of the story. Call at the store and learn the rest.

Jake is a citizen and large taxpayer and entitled to preference over the outside fellows who run a lot of old stock in here to unload on our people in a few days. Jake's stock is new and clean. He keeps it moving and has no old undesirable accumulations.

CHAMPION SWIMMER.

Mrs. M. F. Cole of our city, is being praised and commended as the champion swimmer of this section. On yesterday Mrs. Cole showed swimming ability by swimming the broad Ohio from bank to bank at this point and returned within the time of 40 minutes. The daring feat has never before been performed in the history of our town and Catlettsburg feels highly honored to claim the first champion lady.—Catlettsburg item.

Mrs. Cole is the wife of Millard Cole, the well known traveling sales man.

IMPORTANT MURDER CASE

Transferred From Morgan County to Lawrence for Trial.

Some time last spring Dr. O. H. Motley, of Morgan or Wolfe county, shot and instantly killed a mail carrier named El David Denals. Soon after the shooting Motley was arrested and held of answer at the next term of the Morgan Circuit Court without bail. At the June term he was indicted for willful murder. A motion for a change of venue was granted and the case was sent to this county for trial and was set for the third day of the August term. At the same term of the court the defendant entered a motion for permission to give bail, which motion the court overruled. It also appeared to the court that the Morgan-co. jail was not secure and that an attempt might be made to take Motley from the custody of the jailer, and by order of the court the defendant was removed to the Montgomery-co. jail.

HOSPITAL NOTES.

Miss Lizzie Tomlin, of near Iron-ton, is in Riverview hospital, recovering from the effects of an operation for a tubercular affection of the foot. Nearly the entire foot was amputated, and she will get well.

Miss Burris, of Pike county, was brought to the hospital a few days ago suffering with an abdominal trouble. An operation for her relief was performed and she will return to her home in a few days.

Henderson Burton, of Georges creek, is being treated for appendicitis and will probably recover without an operation.

On Wednesday the wife of the Rev. J. M. Hicks, of Banner, was brought to Riverview, suffering with a tumor. She will probably have to undergo an operation.

Judge Boggs has gone to Cherokee for a needed vacation. Like the sensible man that he is he has directed that the NEWS follow him.

\$4.00 PER CAPITA.

School Teachers Will Receive Same Pay as Last Year.

Based on an estimate of \$3,038,000 revenue for the present fiscal year, the school per capita apportionment will remain \$4, the same as last year. The total scholastic census is 721,813, a decrease of 12,236 from last year. This is due to the close scrutiny of returns, and represents a considerable trimming in the returns, allowing for a general increase of 25 per cent. in the scholastic population from year to year. This estimate of revenue would permit of a per capita apportionment of \$4.20; but, the possibility of revenue falling short of the estimate made it advisable, Supt. Hamlett said, to allow a margin.

A deficit and outstanding debts of \$558,000, found existing by the present administration, has been wiped out, so the schools really will have more money. The per capita apportionment of the school fund will be \$4, the same as last year.

Lawrence county's fund will be increased some by the dog tax. Last year it added 24 cents, making our per capita \$4.24. This year should be about the same.

Mr. Shannon at M. E. Church.

On Sunday night last the Rev. Frederick Shannon preached to a congregation which filled every available foot of space in the M. E. Church. He founded his discourse upon the last three or four verses of the last chapter of Matthew's gospel, speaking more particularly of the force of the expressions "all power," "all the world," "all nations," "am with you all days," and to the end of the age, as the new version has it. The sermon was delivered with the force and eloquence which characterized all Mr. Shannon's platform and pulpit utterances and was listened to most attentively.

Marked in Clerk's Office.

On the afternoon of Thursday, July 10, Miss Docie Williamson, aged 28, and Mr. Ellsworth Mills, aged 22, both of Martin-co., were married in the county clerk's office, this city, the Rev. H. B. Hewlett officiating. Both bride and groom are very nice people, well looking and intelligent, and are members of highly respected families.

Called To Preach Funeral.

The Rev. Burwell Akers, of Cerreto, came up Monday to Fort Gay for a few days visit to friends, but was called Tuesday to attend the funeral of the widow of Smith Cyrus, near the mouth of Whites creek. Mrs. Cyrus was 90 years old. She had been bed ridden for years, and in recent years had prayed constantly for death.

Russell Schultz, of this city left Sunday night for Portsmouth to accept a position in the office of Divn. Superintendent N. and W. Ry. Co. Russell formerly occupied a position of similar character in the N. and W. office at Bluefield, W. Va., and will make good as a railroad man.

FARM FOR SALE: Thirty acres on Main road to Louisa, on Big Blaine creek, Irad postoffice. 12 acres top hill suitable for meadow. 3 acres bottom, 4 acres in grass. 4-room house and barn and a good well in yard. Address LIGE KELLEY, Sta. C, No. 4, S. Columbus, Ohio.

Miss Nola May Oshorn returned Wednesday from a two month's visit to East Point. She was accompanied home by Master Frank Ramsey.

Some prominent B. and O. and Consolidation Coal Co. officials passed through Louisa on Monday last in a couple of private cars attached to a C. and O. train.

Misses Lucile and Adalaid Burchett, of Huntington, who had been visiting Louisa relatives, returned home Monday accompanied by their cousin, Miss Helen Vinson.

FATAL ACCIDENT.

Stanton Conley, 18 years of age, an employee of the Vansant-Kitchen Lumber Co., met death almost instantly in a very unusual manner at the lumber yards, just below Catlettsburg, Monday evening, about 5 o'clock.

Young Conley, who is a son of Jas. C. Conley, who resides on a farm near Princess, and Ora Frazier and Orval Cunningham were engaged in trucking lumber near the railway tracks, when a "shifter" engine hacked in with some cars. As smoking was not allowed around the yards, the three boys climbed into a box car to enjoy a quiet and unobserved smoke. After they had lighted up the train began to move and young Conley put his head out of the car doorway to see how things were. As he did so, the car door, which was loose at the bottom, struck an obstruction on the platform, causing the door to close against the unfortunate boy's neck breaking it, but not injuring him otherwise.

The remains were taken to East Fork for interment.—Ashland Independent.

NEW TOWNS IN LETCHER.

The Mineral Fuel Co., which is building the town of Fleming, near here on Wright's Fork, will start work at once on several miles of model roadways in and around the new town. Three miles of fine roadway, over which automobiles will be run, are to be constructed between McRoberts and Fleming, the Consolidation Coal Co. and the Mineral Fuel Co. standing the expenses. The Consolidation Coal Co. has already built twelve miles of roadways between McRoberts and Jenkins and in the two cities.

COL DIAMOND STILL LIVES.

A recent letter from Col. George Diamond, a brother of "Uncle Josh," gives his residence as Benton, Missouri. A year or so ago he was reported dead. His ex-Confederate companions will be glad to hear of him.

MRS. T. W. NEWBERRY.

Death Occurs at Inez at the Age of Ninety Years.

Mrs. T. W. Newberry, one of the oldest and best known women in this section, died Wednesday night at her home in Inez, aged about 90 years. She will be buried Friday, with appropriate services conducted by her old pastor, the Rev. H. B. Hewlett, of this city. Mrs. Newberry is survived by her husband, who is 92 years old, and seven children. The deceased was a native of Virginia. Her maiden name was Powers. She was a pioneer member of the M. E. Church South, and her home was ever the home of the preacher. The hospitality of the Newberrys was abundant and proverbial, manifested by wideopen doors and loaded tables. Mrs. Newberry was a woman of much intelligence, kindness and generosity and will be greatly missed by hosts of relatives and friends.

MONT HOLT, Clerk.

IN SELF DEFENSE.

Supt. Jay O'Daniel Replies to Critics and Defends His Course.

Louisa, Ky., July 16, 1913.

As my term of office will soon expire, and as the people will soon be called upon to name my successor, I deem it only fair to myself and to my successor, whoever that may be, that a few plain facts regarding the administration of affairs since I have held this office, and the operation of the present school law, which is not generally understood, be made public.

No person who has ever held the office of county superintendent, has escaped criticism, and I fully realize that I have been no exception to the general rule. When we consider the fact that a county superintendent has dealing with nearly every man, woman and child in the county and is constantly being called upon to decide questions of vital importance between different people holding different views, it would be nothing short of a miracle to hold this office for four years and escape criticism.

There have been some criticisms of the work of my administration that I know have been made by parties who have "axes to grind," for purely selfish motives, that are as grossly unfair, that I feel it my duty to refer to briefly; while others are so unreasonable and silly that no sensible person would give them a thought.

One of the last named class that has been widely circulated is that the superintendent now in office, in their anxiety to succeed themselves, had the law passed requiring all candidates, excepting incumbents, to hold State Certificates; and that I had influenced the State Board of Examiners to cause certain candidates to fail for my own benefit. As a matter of fact I never in any way advocated the passage of such a law, and never suggested, by word or act, to the State Board of Examiners that any applicant should fail, who was entitled to pass. And furthermore, I have not had the slightest intention of becoming a candidate for re-election since long before the first State Examinations for the year was held, and one of the parties that failed twice to pass the examination has repeatedly said in my presence that he knew he did not merit a certificate.

Another criticism, emanating largely from parties having selfish aims, either financial or political to attain, and who assumed that I was a candidate for re-election and desired to discredit my work as an officer and encompass my defeat, was that I had been extravagant with the county funds, had burdened the people with taxes, had forced county supervision on the county, had spent hundreds of dollars of the taxpayers' money to have my own salary increased and expenses paid, and had been generally wasteful of the people's money.

As to spending the people's money I can only say that not a dollar of money has been paid, except on the order of the County Board of Education, composed of eight of the county's most representative citizens, and that I don't even have a vote on the question of paying out money, except in case of a tie, which has only occurred once since I have been in office, and the amount involved was \$2.50.

All claims must be itemized and sworn to, except claims resulting from special contract which are payable when terms of contract are met.

As to my own salary and expenses, the records of the Circuit Court and the Fiscal Court will show that my salary was raised from \$800 to \$979 per year, or an increase of \$179 per year, over the old law, when the duties of the office demanded less than half the work required under the present law.

My total expenses that have been paid by the County Board of Education for the entire term will not exceed \$500, while the State Superintendent has repeatedly advised the County Board of Education to allow from \$200 to \$500 annually for the county superintendent's expenses. I have never asked the Board

to allow me expenses for anything except money actually paid out in discharge of my duties and have paid out more money for office help than the board has allowed for my expenses.

I have saved to the taxpayers of Lawrence county at personal cost of more than \$50.00 to myself, over \$3000, by having the high school contract for \$1000 a year, annulled which was in force when I came in to office, and it can readily be understood why certain parties to whom this extra money was coming have so bitterly fought my administration.

I can truthfully say for myself and for the members of the County Board who have had charge of the school funds for the county, that we have labored honestly and conscientiously to see that every dollar expended brought full value, and in my opinion the results accomplished prove this statement. Twenty-four new school houses have been erected, more than sixty old houses have been repaired, new-outbuildings have been built in more than three-fourths of the school districts, new furniture has been placed in about two-thirds of the school houses, wells have been dug in many districts, houses painted and various improvements made.

In regard to County Supervision, I think there has been more criticism and false representation than upon any other subject, and in most cases I find the criticism has been inspired by selfish motives, principally to get votes, or from a failure to understand just what it means.

Supervisors or truant officers are elected by the County Board of Education and their salaries are fixed by the said board and the superintendent does not have a vote on the question, except in case of a tie.

Their duties are to aid teachers in the organization and grading of their schools, to see that the course of study is enforced, which the law absolutely requires to be done; to offer helpful suggestions to inexperienced teachers, to stimulate and encourage work for the improvement of the schools in every way possible, and to act as truant officers in the enforcement of the compulsory school law.

To show the sincerity of one of the critics I wish to offer the following report written by Mr. Ekers at the close of his term as Supervisor last year, which he submitted to the County Board, asking to be employed at the same time for another year.

You will note, also, that Mr. Ekers is at present urging the people to vote for him for Superintendent, claiming that he will save the taxpayers the cost of Supervisors.

Not only Mr. Ekers, but 89 of 98 teachers, in answer to a direct question on their Supplemental Report last year, unhesitatingly endorsed supervision, giving their reasons for so doing. Five were opposed to it and did not answer.

According to the records in my office more than \$2000 was made up for the improvement of the schools last year through the work of the Supervisors, and the attendance in the schools was increased from 32 per cent. in 1910 to 65 per cent. by sworn statements from all the teachers last year.

No other county in the state can show a like increase in attendance. Below is Mr. Ekers' verbatim report which shows his real stand on Supervision, and Mr. Ekers knows himself, and the County Board members know why he is fighting supervision, and why he is not at present filling the same position that he held last year.

The improvement league, agriculture and such work covered by his report was done under my direction.

In answer to several inquiries regarding the course of study for this year, I think it best in all cases to follow the suggestions of the Supervising teachers regarding the grades to be taught this year. Instead of having 3rd, 5th and 7th grades, you will teach 4th, 6th and 8th grades. The same studies required in the 8th grade are required in the 7th grade, the only difference being the place in the Text Books when the work commences in studies like Arithmetic, etc. It is impossible for the pupils to take up 8th grade work. The teacher can over come this difficulty.

Forget It.

The heart of itself is sufficient burden without adding to it irritation over trifles and outbursts of anger because of petty annoyances.

Forget It.

By continual thinking of the best weather, by keeping an eye on the thermometer and adding to discomfort by a sunny disposition, one drives to his head more blood than other organs should contain, and the result is misery and possible prostration or sunstroke. The wise way is to handle down to business and—

Forget It.

Smile as you sweat. Sweat and smile. The mental habit of optimism, which includes forgetfulness of small things, will make you daily comfortable even under uncomfortable conditions. Therefore—

Forget It. And also—

If something has gone wrong with the farm, or the store, or the shop, or office, if the glow is gone, or the store empty, or the shop slow or the office oppressive, why—

Forget It.

Little is too short to treasure up the trivial. He who does that only hoards his blood and actually poisons it, as laboratory tests have shown.

Whenever your trouble—it is not as big as you think it is—unless you make it so by dwelling on it and brooding over it.

Forget It.

Do not brood. Forget. Do not further resentment. Dismiss it. Do not get worse mentally. You cannot afford that. Forget it.

Blamed is the man who is wise enough to forget, so says an Illinois exchange, noted for its truth and sayings.

Wanted, A Girl.

You, wanted a girl—a daughter—in a thousand homes, bright, smiling, helpful, always willing to hold the bag, and to do these things so happily and cheerfully and well that the lady will cry, the table will look like a well balanced party. She is earnest and eager, and the careful, critical grand-

mother will find no dust under the chair or in the corners of the room. Wanted—a loving daughter, the touch of whose curving fingers brings a happy light to the weary eyes of a father and mother, the sound of whose merry voice and merry laughter is a joy to the whole household. Where is there a home in which such a daughter is not wanted? Does anyone know such a girl? There is a situation open for her. She is advertised for, sought for; she can have any place she wants; the world is hers, but why are there not more applicants? Ah, she is already occupied. She has a home of her own which she cannot give up; she is cherished in the hearts of father and mother; her brothers have found her about with the cords of love, and will not let her go.

The deadliest error that can mislead young men is that in order to know the world he must disregard home restrictions and sow wild oats. The man who sows wild oats will reap a harvest of shame. Nay, more, he will compel his father and mother to reap with him and be shamed of his shame. Every son needs to be careful of his character. It is the capital with which he enters business or begins a professional career. If it is shoddy or spotted the best men will shun him as a deadly poison.

The old saying that when poverty comes to the door, love flies out of the window, is like most generalizations—only a half truth. Extreme poverty is indeed to the gates of life and to life itself, but there is as much love in the homes of poverty as in the homes of wealth. It is in the homes of these in modern circumstances, removed from the slavery of poverty and the greed and temptations of riches, that the most genuine enduring affection is found. We are prone to think that wealth is a desirable quality in a suitor, and so it is, but it should not be placed in the same category with intelligence and character. A young man with wealth and energy to increase it as the years pass is wealth enough. Life has a deeper interest for the young wife who feels that her husband's success depends as much upon her energy and wise management as upon his energy and business capacity. She is earnest and eager to labor and to save with him that

the home may be both adorned and that the children may be educated and that old age may find them in peace and comfort enjoying the leisure they have earned.

What is the good of dwelling upon slights or hostilities? Many of them are fancied. If we have enemies let us avoid them and refuse to think of them. To consider the wrongs that we think another has put upon us fills us with anger and all uncharitableness. Let us rather think of our friends who are a source of peace and pleasure and encouragement, of Christ who said, "Father, forgive them for they know not what they do" and of His apostles who wrote to the Corinthians, "Charity suffereth long and is kind, seeketh not her own, is not easily provoked and thinketh no evil."

Kid Your Children of Worms.

You can change fretful, ill-tempered children into healthy, happy youngsters, by ridding them of worms. Tossing, rolling, grinding of teeth, crying out while asleep, accompanied with intense thirst, pains in the stomach and bowels, feverishness and bad breath, are symptoms that indicate worms. Kickapoo Worm Killer, a pleasant candy lozenge, expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. J. A. Bridden, of Elgin, Ill. says: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail, Price 25c. RESOLUTIONS.

The quiet stillness of Sunday afternoon, July 6th, was broken when in the inimitable wisdom of an all-wise God, the Messenger of Death summoned the spirit of our brother, Stephen Girard Kinross, to come forth from his transient state of clay, to move upward into the glad sunshine of the Divine presence for association with the angels and the redeemed spirits who had gone before, there to rest in eternal joy and peace.

"Calmy be looked on either life, and here
Saw nothing to regret, or there
To fear."

Resolved, That we, as Messengers, knowing that our Great Grand Master ruleth righteously in all things, bow in humble submission to His will.

Resolved, That in the loss of Brother Kinross the state has lost an honored, upright citizen who as Judge of her courts devoted the best years of his life to her service in administering Justice with that true, unswerving spirit which marks no difference between rich and poor; the county and city a man whom to know was to love; his family a husband and father, kind, loving and devoted; and the lodge a true and upright brother.

Resolved, That we extend to the deceased brother's widow and daughters our tenderest sympathy in this their trying hour of bereavement, and commend them to the Grand Master and Father of us all who will fold His protecting arms of love around those who trust and believe in Him.

Resolved, That as a mark of our esteem and in fraternal remembrance that these resolutions be spread upon the record of our lodge and a copy be sent to the bereaved family and the Masonic Home Journal and other local papers for publication.

FALL ROSES.

During the summer months mothers of young children should watch for any unnatural looseness of the bowels. When given prompt attention at this time serious trouble may be avoided. Chamberlain's Colic, Cholera and Diarrhoea Remedy can always be depended upon. For sale by Louisa Drug Co.

YATESVILLE.

Rev. Yoak filled his appointment here Sunday evening.

Our public school was opened up Monday the 14th inst. with Miss Nancy O'Daniels teacher. As the measles is abroad in our vicinity it is greatly feared that they will seriously interfere with the school.

The terrible drought still continues at this writing. The oats and wheat are fairly good, but the corn and potato crop is already damaged to the extent of at least one half.

Rumors from the Green Brier section is to the effect that the Joe Hutchison oil well is the best that has ever been drilled in yet.

Lige Rupe, our Bull Moose candidate for jailer, is bay making this week.

Jim Woods, the stock merchant of Miller Branch, was here Monday.

Milton L. Carter, deputy sheriff, made a business trip to Kise station the first of the week.

Quite a number from here attended the festival at Green Valley Saturday evening.

A LEAD TO SUPERINTENDENTS.

To the Sunday School Superintendents of Kavanagh Circuit.

BUCHANAN, Ky., July 8.—The S. S. Association of Kavanagh Circuit, M. E. Church, South, will be held at Kavanagh chapel August 17th. A fine program is being furnished and some of our best Sunday school workers hope to be with us.

Come, bring your schools and make this meeting a very successful one. A banner will be awarded to the school that excels in the circuit.

As last year was our first organization, our treasury is small, and therefore will not cover expenses. Would be glad if you would please take up a collection in your schools and send it to me or to Mrs. Lena Davis, treasurer, as early as possible.

Very truly yours,
PEARL COMPTON,
Circuit Secy.

The State Department, of Agri-
culture issued its crop report for the
last month. Drouth conditions pre-
vailing since the report of June 10
have marred the splendid prospects
for most crops. Bluegrass seed will
be unusually scarce and pasture is
short. Fruit crops were seriously
affected by the lack of rain, the
report says.

THE CROP REPORT ISSUED JULY
10TH, '13, FOR KENTUCKY.

The splendid prospects for good
crops as reported on June 10th,
have been greatly lessened owing to
the severe drouth throughout the
State. In some places local show-
ers have been reported and crops
in these localities are looking in
splendid condition. Central and West-
ern Kentucky seem to be suffering
from the dry and hot weather.
The condition of wheat
which is an in-

crease over last month's report of
5 per cent. Wheat is reported as
not yielding so many bushels per
acre, but the quality is extra good.
The condition of rye also shows a
higher average than was anticipat-
ed a month ago, same being 89 per
cent. The corn crop is 98 per cent.
while the condition shows 91 per
cent. The acreage of oats is given
as 88 per cent, and the condi-
tion 74 per cent, slightly lower than
last month's crop indicated it would
be, which condition was reported as
79 per cent. June 10th. Dark Tobacco
shows an acreage of 64 per cent,
while the condition is 75 1/2 per
cent. Burley Tobacco reports 80
per cent, acreage and 79 per cent,
condition, 94 per cent, is the acre-
age of potatoes; the dry weather
has had such an effect that the
condition shows only 76 per cent,
as against 93 per cent, the outlook
reported, June 1st. The sweet po-
tatoes acreage is 93 per cent, while
the condition is 89 per cent. Blue-
grass seed crop will be exceedingly
short this year, and owing to the
continued drouth pasture condi-
tions generally are short. The con-
dition of grasses is given as follows:
Bluegrass 74 per cent, Clover 78,
Alfalfa 87, and Orchard Grass 81.
The acreage of Cow Peas is reported
at 90 per cent, while the condi-
tion is 89 per cent. The acreage
of soy beans is 83 per cent, and the
condition 90 per cent. The garden
conditions are only about 80 per
cent as the drouth has greatly ef-
fected same. Young poultry is do-
ing well, and the condition of chick-
ens generally is reported as 93 per
cent.

The condition of the fruits of the
State have all fallen below the pros-
pects earlier in the season. App-
les show 73 per cent as against 85
per cent, reported last month, peach-
es 70 per cent, as against 78 per
cent, last month, pears 55 per cent,
as against 61 per cent last month,
plums 64 per cent, as against 67
per cent, last month, grapes 87 per
cent, as against 89 per cent, last
month, and blackberries 90 per
cent, showing a somewhat smaller
crop than was reported earlier.

The disease known as catarrhal
fever or pink eye among the hor-
ses, which has been prevalent in cer-
tain localities for some time is re-
ported to be well in hand and no
new outbreaks for the past ten
days have been reported, and the
localities suffering most from this
disease are about cleared up. No
new cases are reported.

Local rains have been reported
in the following counties in which
crops are looking in good condition:
Shelby, Nelson, Kenton, Lawrence,
Crittenden, Marshall, Graves, Cald-
well, Jackson, Letcher and Laurel.
Pasture and tobacco are reported
as suffering the most for the lack
of rain.

There has been a large corn crop
planted and the reports are that it
is generally clean and in good con-
dition. If the drouth is broken soon,
there is every prospect of a hump-
er corn crop.

by cross grading.
All examination questions will be
prepared on 6th and 8th grade
work.

I hear that some schools failed
to start on the 14th. Remember
that teachers who are under con-
tract to begin school on the 14th,
forfeit their contracts unless they
begin on that date, where it is pos-
sible to begin. The trustees, teach-
er patrons and not even the super-
intendent nor county board can
legally postpone the commencement
of a school. That can only be done
by the Division Board.

JAY O'DANIEL, Supt.

Ekers' Report.

To the Superintendent and other
members of Board of Education of
Lawrence county:
Gentlemen:

As I shall not be able to attend
your meeting tomorrow, I will send
you a short report of my work,
when I commence the work of su-
pervision in July, I was a little
doubtful as to whether it could be
made pay or not, that is I doubt-
ed whether I could possibly earn
for the county the meager salary I
was to receive, but I went to work
to organize on course of study and
assist in grading on my first trip
around, which I made as fast as I
could, and I was surprised at the
heartly co-operation I received from
nearly all the teachers of my work
along this line.

Hence as one result of my work
and the work of the many live
teachers who aided me, I believe
every school followed the graded
course as nearly as it was possible
to do so on his particular school
and this means in most schools that
it was followed almost to the let-
ter. There was some opposition to
this work from parents who did not
thoroughly understand what it
meant to their children and they
refused to buy the necessary books
and in districts infected with this
opposition and neglect, of course
the teachers could not do their
best work.

After organization of the school
was as good as I thought it would
be possible to make it this year I
turned my attention to improve-
ment, leagues, agriculture and do-
mestic science in connection with
the school.
Quite a number of teachers gave
instruction in elementary agricul-
ture and I found great interest in
this subject where I found a teach-
er who had given it thought and
realized the importance of it to the
children.

As to domestic science, I found
the greatest interest manifested in
that part of it called needle work,
I had quite a number of teachers
show me samples of sewing and
"Fancy Work" done by pupils that
I called real good work. I also
saw other things that were suggest-
ed in the little bulletin on "Home
Economics" practiced in the homes
of some of the larger girl pupils,
there is no doubt but what this
subject can be made of more in-
terest to girls than the map of Af-
rica can be.

The improvement league was not
without its foes. In many districts
the teacher would talk the subject
only to find the trustee and "Lod-
ing Citizens" were not in favor of
so they did not attempt to
organize. In a few cases the teach-
er alone was to blame for not hav-
ing a good league. In addition to
nearly 200 calls that I made on
schools and almost one month's
work as substitute teacher, I put
in quite a number of nights in as-
sisting teachers in these organiza-
tions and I think when the reports
are all in from them it will show
that they have done considerably
over \$1000.00 worth of improve-
ment at a cash value. This im-
provement has been in the estab-
lishment of libraries, white washing
and painting houses, cleaning off
play grounds and white washing
trees and doing work on school
grounds to render them more sani-
tary. The above may be called the
cash value of these meetings, but
from what I have seen of them I
consider their greatest value to be
in the interest they stimulate in
school work. No district that has
had a good league this year will do
without one next year, while sev-
eral of them intend to keep up a
permanent organization from now
on.

Not the least part of my work
has been the enforcement of the
compulsory school law. I have writ-
ten several hundred letters and
notices to parents concerning the
attendance of their children and
have put in much time talking to
them and investigating cases re-
ported for violation of this law.
Now as a last thought when I have
seen the great improvement in the

schools as it gradually moved along
from the first day to the last, when
I see libraries started in nearly
every school, when I hear better
reading than I have been used to
hearing in schools, and find blinds
over windows and in some schools
blinds and curtains both, and in near-
ly every house good or had with
beautiful pictures on the walls and
nearly all schools with appropriate
opening exercises. And when I see
four children in school where there
used to be only three, I feel that
the teachers deserve great credit

\$213,200 FOR A ROAD.

"Seems to me the country's gone
mad about taxes," exclaimed one
of the men at the store.

"That's right, I saw an article in
our country paper about a new tax
for State Aid for road building. It
read fine; but I smelled higher taxes
behind it O. K.

"I sometimes wish I had been
born seventy-five years ago, before
State Aid and lots of fool tax schem-
es had got started. What do you
say, Uncle Bill?"

The old gentleman addressed
smiled good humoredly, scratched
his bald spot, and narrowed his
pale gray eyes, before he said,
"Well, I don't know. You young-
sters always talk about things as
if they was bran new."

"Well, Uncle Bill, I never heard
of State Aid for roads in Kentucky
before, did you?"

"There's a thousand and one
things you ain't heard of, I reckon.
I know one thing for sure, and that
is that this pike that runs through
Mason-co., from Maysville to Lex-
ington was built with State Aid
money all right."

"Is that so?"

"Sure it's so. Why in 1831 the
state voted money for building
hard roads. The state employed an
engineer and a whole lot of other
men, and they built some fine roads.
Course, I ain't old enough to re-
member all this; but I've heard men
talk that helped build that road.
You see, State Aid is eighty-two
years old any way; and I reckon it's
a sight older than that."

"Uncle Bill, how much money did
Kentucky, the state of Kentucky,
pay on that road from Maysville to
Lexington?"

"It was \$213,200 in six years, and
in that time they built sixty-four
miles of road."

"Did that \$213,200 foot the whole
bill for that road?"

"Nop, that was just about one
half of the cost. Roads came high

then because all the metal on the
road was hand broke; and the heat-
ing out of that metal had to be
done with old fashioned tools and
black powder. You can figure that
out and you'll find that road cost
almost \$6,700 a mile to build."

"Gee whiz, we could build a road
like that now for about \$4,000,
couldn't we?"

"Sure we could. I tell you fel-
lows folks is always growling an I
reckon they always will, especially
about taxes."

"But, Uncle Bill, you forget we
have county engineers and a state
engineer and a lot of office holders
and experts and things to pay with-
out State Aid?"

"There you go again. What'd I
tell you about folks grumbling. Why
in 1837 the Chief Engineer got a
salary of \$5,000 and he had two as-
sistant engineers at \$3,000 each.
Besides there were nine other ex-
perts who got among them \$13,500.
So you see, seventy six years ago
this state paid in salaries for men
to develop, inspect and construct
roads, \$24,500. I reckon you'll a-
gree with me that those men built
some good roads all right?"

"Yes they did; and the roads are
still fine."

"Didn't they make your land and
mine worth more money?"

"Yes."

"Now listen to me. Don't get in
the habit of grumbling about a tax
just because it is a tax. If it'll
done with old fashioned tools and
make land more valuable, don't say
a word. If you must grumble,
grumble when you're sure a tax
ain't being spent right; but don't
grumble because it is a tax."

There is more Catarrh in this section
of the country than all other diseases put
together, and until the last few years
was supposed to be incurable. For a great
many years doctors pronounced it a local
disease and prescribed local remedies, and
by constantly failing to cure with local
treatment, pronounced it incurable. Sci-
ence has proven Catarrh to be a constitu-
tional disease, and therefore requires
constitutional treatment. Hall's Catarrh
Cure, manufactured by F. J. Cheney &
Co., Toledo, Ohio, is the only Constitu-
tional cure on the market. It is taken in-
ternally in doses from 10 drops to a tea-
spoonful. It acts directly on the blood

offer one hundred dollars for any case it
fails to cure. Send for circulars and tes-

LONESOME BOY.

THE VOTERS OF LAWRENCE COUNTY KENTUCKY.

I am a candidate for jailer, subject to the action of the Republican party. I was born and raised in Lawrence county.

Gentlemen, I am the first and only Young in Lawrence county to ask the people for a county office in Lawrence county, and the Young generation in Lawrence county is as old as the county, and they are all natural born Republicans, and have helped to elect each and every Republican officer in Lawrence Co. Th. Young generation in Lawrence county number one among, if not the largest families in Lawrence Co.

Now, gentlemen, I feel that it is the duty of the voters of Lawrence county to help nominate and elect me as your next jailer. If you will nominate and elect me to this office I am sure I can and will make you as good, if not a better, jailer as ever the county of Lawrence ever had.

If elected to this office I will, as a gentleman, step down and give the office over to your next elector at the end of the term of 4 years.

Owln to sickness I may not be able to visit the homes of all of you. If I fail to do so pardon me, but will try to get around, however. Remember to mark an X opposite my name on the ballot, the third name under the jailer list.

You will have my heartfelt gratitude as well as the thanks of the Young family.

I am sure you could not make any mistake by nominating and electing me as your next jailer.

I am sure I can and will keep it as clean and sanitary as any man you could put in this office.

You pay taxes as well as I, and I pay taxes as well as you, and I believe that you as good voters of Lawrence county ought to nominate and elect me this time.

You could not elect a man that would appreciate it any more than I would. If you will honor me to this office this time I will respect the office as a gentleman, honor its full term of four years.

Hoping each and every voter will consider my qualification for this office. So don't forget to place an X opposite my name on August 2, when unfolding your ballot, and that will insure my nomination.

Trusting and thanking you for your help in the August primary.

I remain as ever your friend,

HENRY S. YOUNG,

Louisa, Ky.

CO-PARTNERSHIP SALE

Starts Promptly at J. Isralsky's Store on

SATURDAY, JULY 19, 8 A.M.

AND CONTINUES FOR 10 DAYS - Ends JULY 29

A considerable change is to take place in our business about August 1. After that time the same business will be known under the name COHEN, ISRALSKY BROS. & CO. But before we can do this we are compelled to dispose of our entire \$15,000.00 stock of Merchandise within 10 days regardless of what it brings. Our stock at present is better assorted than it has ever been before. Everything is new and up to-date and to sell it in such a short time we are bound to slaughter the prices. No matter what the result may be it must be closed out by July 29th. BE WISE. COME EARLY. GET THE PICK. Promptly at 8:00 o'clock Saturday Morning, July 19th, the Great Sensational Cash Realization Sale will be on—such a Money-Saving Sale as the bargain critics of Louisa never beheld. Can you, DARE YOU, in justice to yourself and family overlook this golden opportunity?

Don't compare this gigantic slaughter of values with the little tail-end, so-called Salvage Sales, Clearing Sales, Semi-Annual Sales or Bargain Sales. Even a comparison would be ridiculous. Remember that every item we sell is guaranteed by us. It isn't like you buy from some newcomers as they have in some remote towns. Today they are here, tomorrow they might be in California. There is no dependence in any such sales. Now we only ask you to read our bill and compare our prices with others and come to our store Saturday Morning at 8:00 o'clock sharp and you will be convinced. Really it is useless for us to say that we are going to have a genuine sale. People for 50 miles around know Jake and know that his sales are always genuine. To give you an idea of the thousands of items will mention a few of them. To appreciate them you must see them. See them and you will buy.
